

## School Disciplinary Absences

July 2009

Many strategies are used by our school to provide appropriate consequences for unacceptable student behaviour. The use of School Disciplinary Absences - suspensions, exclusions and cancellations of enrolment - are consequences used after consideration has been given to all other responses.

The Principal must be reasonably satisfied that grounds exist under the [Education \(General Provisions\) Act 2006](#) outlined in sections 284, 289 and 316 prior to making the decision to suspend, recommend exclusion or cancel the enrolment of a student.

For further information on suspensions, exclusions and cancellations of enrolment, refer to the policy [SMS-PR-021: Safe, Supportive and Disciplined School Environment](#).

The data are provided in terms of aggregate counts of incidents recorded by the school. The data do not represent the outcomes of any related appeal decisions.
